(1.)

The United States' Minister at Tangier to His Majesty's Minister.

Tangier, April 29, 1907.

Mr. Minister and dear Colleague,

REFERRING to our correspondence on the subject of the utility of extending to patents of invention the arrangement in force in Morocco between our two Governments regarding Trade-marks, I have the honour to inform you that I have received instructions from my Government to the effect that protection by the Consular Courts of the United States in Morocco will be accorded to British patents of invention, duly registered in the United States, on condition that protection under the same conditions shall be assured in Morocco by the British authorities to American patents of invention.

Accept, &c.

(Signed) S. R. GUMMERÉ.

(2.)

His Majesty's Minister at Tangier to the United States' Minister.

Tangier, June 20, 1907.

Mr. Minister and dear Colleague,

IN reply to your letter of the 29th April, I have the honour to inform you that I am authorized by my Government to declare to you that protection will be accorded by the British Consular Tribunals in Morocco to the patents of inventions of the United States of America, which have been duly registered in England in conformity with the "Patents, Designs, and Trade-marks Acts,

1883-1902," and that I am prepared to give instructions to that effect to the British Consular officers, to the end that the accord shall enter into force immediately. May I hope that your Excellency will give similar instructions to the Consular officials of the United States of America.

I take this occasion, &c.

(Signed) GERARD LOWTHER.

I have the honour to inform your Excellency that I am also authorized by my Government to declare to you that protection will be accorded by the American Consular Tribunals in Morocco to British patents of invention duly registered in the United States, and that I will give instructions to that effect to the American Consular officials, to the end that the accord shall be entered into at once.

Accept, &c.
