I. In the Final Protocol *ad* Article 6, the following paragraph is added:

An exception is made for alcohol and beer on which the excise duty may be raised, on condition, however, that the increased duty is not levied on alcohol or beer of British origin to a higher or more vexatious extent than on other native produce of the same kind.

II. In the Tariff of Import Duties in Bulgaria, annexed to the Convention, Article 468 is modified as follows:

Iron or cast-iron bedsteads, ordinary, painted, varnished or lacquered, in one colour, and even with ornaments in relief, duty per 100 kilogrammes 10 francs.

II. Dans le tarif des droits à l'entrée en Bulgarie, annexé à la Convention, l'Article 468 est modifié comme suit:

Lits en fer et en fonte, ordinaires, peints, vernis ou laqués, en une couleur, et même avec ornements en reliefs, à 10 francs de droits d'entrée les 100 kilogrammes.
