M. le Secrétaire d'État,

I AM instructed by His Majesty's Secretary of State for Foreign Affairs, as a new Government has been now constituted in this Republic, to renew the proposal I made in my note of the 8th November, 1908, to the then Haytian Secretary of State for Foreign Affairs, that you should signify the formal assent of the Haytian Government to the abrogation of the Anglo-Haytian Nationality Convention as from the 1st April next, as it is the desire of His Majesty's Government that it should be terminated by mutual consent, which might be effected by an exchange of notes between us.

I have, &c.
