**Protocole relatif à la Convention Internationale du
7 juin 1905 pour la création de l'Institut Interna-
tional d'Agriculture à Rome.**

Rome, le 21 avril 1926.

Les soussignés, dûment autorisés par leurs Gouvernements respectifs, sont convenus de ce qui suit :

Les paragraphes 3 et 4 de l'article 10 de la Convention Internationale du 7 juin 1905, pour la création de l'Institut International d'Agriculture, sont remplacés par le texte suivant :

" Le montant de l'unité de cotisation est fixé chaque année de la manière suivante : le nombre des unités de cotisation est multiplié par le nombre des Pays de chaque groupe ; la somme des produits fournit le nombre d'unités par lequel doit être divisée la dépense totale, autorisée par l'Assemblée générale, évaluée dans la monnaie courante en Italie, siège de l'Institut, déduction faite des recettes autres que les cotisations des Etats ; le quotient donne le montant de l'unité de cotisation.

" En tout cas, la contribution correspondant à chaque unité de cotisation ne pourra jamais dépasser en valeur la somme de 4,000 francs-or maximum.

" Les cotisations encaissées postérieurement à la clôture de l'exercice viennent en déduction des dépenses de l'exercice suivant."

Institute of Agriculture in Rome.**

Rome, April 21, 1926.

THE undersigned, duly authorised by their respective Governments, have agreed as follows :—

“In any case, the contribution corresponding to each unit of subscription shall never exceed in value the maximum sum of 4,000 gold francs.

“The subscriptions received after the termination of any session shall be applied towards the expenses of the following session.”
