ARTIKEL 5.

Nichts in diesem Abkommen soll die Vorzugsrechte zu Gunsten der Deutschen Äusseren Anleihe 1924 beeinträchtigen, wie sie in dem Neuen Plan niedergelegt sind.

ARTICLE 6.

In accordance with Article 12 (g) of the Trust Agreement,* the Bank for International Settlements shall receive in respect of its expenses and commissions for the creation and issue of the Loan (i) the sum of £10,000 together with out-of-pocket expenses to be deducted from the net proceeds of the Loan, and (ii) each year an amount

ARTICLE 6.

ARTIKEL 6.

Gemäss Artikel 12 (g) des Treuhandvertrages soll die Bank für Internationalen Zahlungsausgleich für ihre Auslagen und Provisionen bei der Ausstellung und Begebung der Anleihe erhalten :

année un montant équivalent à $1/6$ de 1 pour cent des sommes payées au titre des coupons et des obligations sorties au tirage, ce montant devant être compris dans le service de l'Emprunt.

2° Jährlich einen Betrag von $1/6$ % (einem Sechstel Prozent) der auf die Kupons oder auf die gezogenen Stücke gezahlten Beträge. Dieser Betrag ist auf die für den Dienst der Anleihe bestimmten Gelder anzurechnen.

The provisions of this Article shall remain in force failing any new arrangement; such new arrangement may be made at the end of the first yearly period, or at the end of any one of the following five yearly periods, at the request of one of the signatory Governments or of the Bank for International Settlements.

A special agreement will be made as to the commission to be paid to the Bank for International Settlements in the event of an anticipatory redemption of the Loan or any part thereof.

ARTICLE 7.

It is understood that the provisions in the General Bond as regards the specific currencies on a gold or gold exchange standard to be paid for the service of the Loan do not prejudice the arrangements which may be made on this particular point for future Mobilisation Loans.

Les dispositions du présent article demeureront en vigueur en l'absence de tout nouvel arrangement; pareil nouvel arrangement pourra être conclu à la fin de la première période d'un an, ou de l'une quelconque des périodes de cinq ans ultérieures, à la requête de l'un des Gouvernements signataires ou de la Banque des Règlements Internationaux.

Un accord spécial sera conclu en ce qui concerne la commission à payer à la Banque au cas d'un amortissement anticipé de l'Emprunt ou de toute fraction de l'Emprunt.

ARTICLE 7.

Il est entendu que les dispositions de l'Obligation Générale en ce qui concerne les monnaies spécifiques basées sur un étalon or ou sur un étalon de change or à verser pour le service de l'Emprunt, ne préjugent pas des accords qui pourront être conclus sur ce point particulier lors des futurs Emprunts de Mobilisation.

Die Bestimmungen dieses Artikels bleiben bis zum Abschluss eines neuen Abkommens in Kraft; ein neues Abkommen kann auf Er-suchen einer jeden der unterzeichneten Regie-rungen oder der Bank entweder am Ende des ersten Anleihejahres oder am Ende einer jeden danach folgenden Fünf-jahresperiode abgeschlossen werden.

Über die Provision, die im Falle einer vorzeitigen Tilgung der ganzen Anleihe oder eines Teils der Anleihe an die Bank zu zahlen ist, wird ein Sonderabkommen abgeschlossen werden.

ARTIKEL 7.

Es besteht Einver-ständnis darüber, dass die Bestimmungen in der allgemeinen Schuldver-schreibung über die besonderen Währungen auf einer Gold- oder Gold-devisenbasis, in denen die Zahlungen für den Dienst der Anleihe zu leisten sind, kein Präjudiz für Abkommen bedeuten, die etwa über diesen be-sonderen Punkt für künftige Mobilisierungs-anleihen abgeschlossen werden könnten.

ARTICLE 8.

Pursuant to the provisions of paragraph 2 and of paragraph 4 of Article 4 of the German Debt Certificate,* the Bonds of the Loan shall be substituted for a corresponding amount of the total debt represented by Part A of the coupons, which shall, in return for the delivery to the Bank for International Settlements of the said Bonds, be endorsed accordingly up to and including the 1st June, 1965.

In consequence :—

a. If the Loan shall have been redeemed before the 1st June, 1965, by anticipation or otherwise the German Government shall be discharged from its obligation in respect of the unconditional annuities up to and including that date to the same extent as if the normal service of the Loan had continued to be payable and paid up to and including that date;

b. Interest on any moneys for the time being in the hands of or under the control of the Bank and not presently required to be applied in

ARTICLE 8.

En exécution des dispositions du paragraphe 2 et du paragraphe 4 de l'article 4 du Certificat de Dette allemand, les obligations de l'Emprunt se substitueront à un montant correspondant de la dette totale représentée par la partie A des coupons, qui seront, en contrepartie de la remise à la Banque des Règlements Internationaux desdites obligations, endossés corrélativement jusqu'au et y compris le 1^{er} juin 1965.

En conséquence :

a. Si l'Emprunt se trouve avoir été amorti avant le 1^{er} juin 1965 par anticipation ou d'une autre manière, le Gouvernement allemand sera déchargé de son obligation au titre des annuités inconditionnelles jusqu'à et y compris cette date dans la même mesure que si le service normal de l'Emprunt avait continué à être payable et à être payé jusqu'à et y compris cette date ;

b. Les intérêts sur toutes sommes se trouvant entre les mains ou sous le contrôle de la Banque et qui n'auront pas à être immédiate-

ARTIKEL 8.

Entsprechend den Bestimmungen des Artikels 4 Absatz 2 und 4 der deutschen Schuldbescheinigung treten die Schuldverschreibungen der Anleihe an die Stelle eines entsprechenden Betrages der gesamten Schuld, die durch Teil A der Kupons dargestellt wird. Diese Kupons sind Zug um Zug gegen Übergabe der genannten Schuldverschreibungen an die Bank für Internationalen Zahlungsausgleich für die Zeit bis zum 1^{ten} Juni 1965 einschliesslich mit einem entsprechenden Vermerk auf der Rückseite zu versehen.

Demnach wird :

a. Wenn die Anleihe vor dem 1^{ten} Juni 1965 durch Rückkauf oder in anderer Weise getilgt worden ist, die Deutsche Regierung von ihrer Verpflichtung in Bezug auf die unbedingten Annuitäten bis zu diesem Tage einschliesslich in denselben Umfange entlastet sein, als wenn die Zahlungen für den normalen Anleihedienst bis zu diesem Tage einschliesslich hätten fortgeführt werden müssen und tatsächlich fortgeführt worden wären ;

b. Ferner werden Zinsen für irgend welche Geldbeträge, die sich während einer bestimmten Zeit in den Händen oder unter der

ARTICLE 9.

This Agreement shall be notified to the Bank for International Settlements in order that it may take note thereof and give effect thereto so far as it is concerned, and may in particular confirm its concurrence with the declaration contained in Article 3 hereof, it being agreed by all the signatory Powers that the provisions of Article 3 above do not in any way limit, restrict or vary the rights of the holders of the bearer bonds under Articles 7, 8 and 9 respectively of the General Bond, which bearer bonds shall be the direct and unconditional obligations of the German Government.

ARTICLE 9.

Le présent Accord sera notifié à la Banque des Règlements Internationaux afin qu'elle puisse en prendre note et lui donner effet dans la mesure qui la concerne, et qu'elle puisse en particulier confirmer son accord avec la déclaration contenue dans l'article 3 qui précède, toutes les Puissances signataires étant d'accord sur le fait que les dispositions dudit article 3 ne limitent, restreignent ou modifient en aucune manière les droits qui découlent pour les détenteurs des obligations au porteur des articles 7, 8 et 9 respectivement de l'Obligation Générale, obligations au porteur qui constitueront les

ARTIKEL 9.

Dieses Abkommen soll der Bank für Internationalen Zahlungsausgleich mitgeteilt werden, damit sie von ihm Kenntnis nimmt, es, soweit sie beteiligt ist, durchführt und insbesondere ihre Übereinstimmung mit der in Artikel 3 dieses Abkommens enthaltenen Erklärung bestätigt. Hierbei sind sich alle unterzeichneten Mächte darüber einig, dass die Bestimmungen des Artikels 3 in keiner Weise die Rechte der Inhaber der Schuldverschreibungen gemäss Artikel 7, 8 und 9 der allgemeinen Schuldverschreibung begrenzen, einschränken oder abändern, der Inhaberschuldverschreibungen, die die unmittel-

baren und unbedingten Verpflichtungen der Deutschen Regierung sein sollen.

ARTICLE 10.

The present Agreement shall come into force on the date of its signature for all the signatory Governments with the exception of the Government of Japan, which has not yet ratified the New Plan. In the case of the Japanese Government the present Agreement shall come into force with retroactive effect from the date of its signature on the date of the notification by Japan that she has ratified the New Plan.* Pending such notification and without prejudice to its legal position, the Japanese Government authorises the Bank for International Settlements to deduct from the share in the unconditional annuities allocated to and held by the Bank for International Settlements in reserve for Japan, the amounts required to give immediate effect to Article 9 and the other stipulations of the General Bond and to the provisions of the present Agreement. The other signatory Governments consent to such deductions being made.

* No such notification had been received by the end of 1930.

ARTICLE 10.

Le présent Accord entrera en vigueur à la date de sa signature pour tous les Gouvernements signataires à l'exception du Gouvernement du Japon, qui n'a pas encore ratifié le Nouveau Plan. En ce qui concerne le Gouvernement japonais, le présent Accord entrera en vigueur, avec effet rétroactif à la date de sa signature, à la date de la notification par le Japon de sa ratification du Nouveau Plan. Pour la période qui précédera cette notification, et sans préjudice de sa position juridique, le Gouvernement japonais autorise la Banque des Règlements Internationaux à déduire de la part des annuités inconditionnelles qui est allouée au, et qui est mise en réserve par la Banque des Règlements Internationaux pour le Japon, les montants nécessaires pour donner immédiatement effet à l'article 9 et aux autres stipulations de l'Obligation Générale et aux dispositions du présent Accord; les autres Gouvernements signataires sont d'accord pour que les déductions susvisées soient effectuées.

ARTIKEL 10.

Das gegenwärtige Abkommen tritt für alle unterzeichneten Regierungen mit Ausnahme der Regierung von Japan, das den Neuen Plan noch nicht ratifiziert hat, am Tage der Unterzeichnung in Kraft. Im Falle der japanischen Regierung tritt das gegenwärtige Abkommen an dem Tage, an dem Japan die Ratifizierung des Neuen Plans bekanntgegeben hat, rückwirkend in Kraft. Für die Zeit bis zu dieser Bekanntgabe und ohne Präjudiz für ihre rechtliche Stellung ermächtigt die japanische Regierung die Bank für Internationalen Zahlungsausgleich, von dem Anteil an den unbedingten Annuitäten, der Japan zugeteilt ist und für Japan bei der Bank für Internationalen Zahlungsausgleich zurückgestellt wird, die Summen abzuziehen, die erforderlich sind, um dem Artikel 9 und den übrigen Vereinbarungen des General Bonds sowie den Bestimmungen des gegenwärtigen Abkommens sofort Wirksamkeit zu verleihen. Die anderen unterzeichneten Mächte stimmen dem zu, dass diese Abzüge bewirkt werden.

ARTICLE 11.

The present Agreement is drawn up in the German, English and French languages, the German text, the English text and the French text being equally authentic.
