2.

ARTICLE 3.

The number of Natives recruited in terms of this Convention whose employment on the Mines is authorized by the Portuguese Government shall not exceed 80,000, and the Union Government will allow the Mines, if they so desire, to employ a minimum of 65,000 Portuguese Natives.

In order to solve any difficulties relative to native labour that may arise in Mozambique or in the Union, the numbers mentioned in this Article may, after consultation between the two Governments, be altered :—

Hierdie Ooreenkoms moet deur die twee Regerings bekragtig word en die uitwisseling van bekragtiging geskied op Pretoria sonder onnodige oponthoud; die Artikels wat hersien is, tree egter in werking van die datum van ondertekening hiervan, en die Artikels wat geskrap is, word van dieselfde datum af nie van krag nie, terwyl alle ander Artikels van die Konvensie so as van tevore in werking bly.

Ter oorkonde waarvan die Verteenwoordigers van die onderskeie Regerings hierdie Ooreenkoms tot wysiging van die terme van die Konvensie geteken het.

A. Relativamente á Parte I (Trabalho Indígena), que os artigos 2, 3, 10, 11, 13 en 26 sejam substituídos como segue :

ARTIGO 2.

O Govêrno Portuguêsa autorisa o referido recrutamento e a subsequente repatriação dos indígenas portuguêses, nos termos dos regulamentos em vigor á data de 16 de Maio de 1928 e das alterações neles introduzidas que não contrariem o disposto no artigo 53, e em harmonia com as condições, facilidades e acordos igualmente em vigor áquela data, no que depender dos Govêrnos de Moçambique e da União e no que não fôr alterado por esta Convenção.

Fica, porém, reservado ao Govêrno de Moçambique o direito de limitar ou fazer cessar o recrutamento nas zonas onde, por motivo de trabalhos públicos ou particulares, seja necessário atender a instantes necessidades locais de mão de obra indígena, mas sem prejuízo dos limites fixados para o contingente de indígenas portuguêses a empregar nas Minas e, tanto quanto possível, de acordo com a entidade recrutadora.

Para que possam ser resolvidas quaisquer difficultades sobre trabalho indigena que surjam em Moçambique ou na União, os números fixados neste artigo podem ser alterados, mediante consulta entre os dois Govêrnos :

- (b) Dois xelins e nove dinheiros por indigena e por mês ou parte, durante o tempo que o indigena estiver empregado.

ARTIGO 11.

Se, em cada ano, a começar no de 1935, o total das taxas e emolumentos recebidos pelo Govêrno de Moçambique, nos termos dos artigos 9 e 10 e em relação aos indigenas portuguêses empregados nas Minas, não atingir uma importância igual ao produto de quarenta e quatro xelins e seis dinheiros pelo número médio de indigenas empregados nas Minas durante esse ano, a diferença será paga pelas Minas ao Curador.

ARTIGO 13.

Depois dos primeiros nove meses (duzentos e trinta e quatro dias úteis) do contracto e durante qualquer periodo ou periodos de recontrato, será deduzida dos salários dos indigenas portuguêses, pelas Minas em que estiverem empregados, uma quantia certa, tão aproximada quanto fôr possível, de metade desses salários e verificável de tempos a tempos, que será paga em Moçambique por ocasião do regresso dos indigenas.

ARTIGO 26.

Tôdas as quantias em dinheiro devidas nos termos desta Convenção, sejam taxas, emolumentos, salários ou outras, serão pagas e liquidadas em moeda corrente na União.

B. Relativamente á Parte II (Portos e Caminhos de Ferro), que sejam eliminados os artigos 33, 34, 35, 36, 37, 38 e 43 e que os artigos 32, 41 e 44 sejam substituídos como segue :

ARTIGO 32.

O Govêrno da União assegura ao Porto de Lourenço Marques não menos de quarenta e sete meio por cento da tonelagem comercial total das mercadorias importadas por via marítima com destino á "zôna de competencia."

- (a) Para efeitos do cálculo da percentagem referida neste artigo, será excluido o tráfego das mercadorias importadas por via marítima com destino ás autoridades civis, militares e ferroviárias;
- (b) Por "zona de competencia" entende-se a zona limitada pelas linhas traçadas entre as estações de mercadorias de Pretória, Springs, Vereeniging, Klerksdorp, Welverdiend, Krugersdorp e Pretória, conforme o mapa annexo a esta Convenção, ou qualquer outra zona determinada por acordo entre as duas Administrações Ferroviárias.

ARTIGO 41.

Todos os assuntos referentes a portos e caminhos de ferro não previstos nesta Convenção serão objecto de um acordo de trabalho entre as duas Administrações Ferroviárias, respectivamente representadas pelo Director dos Serviços de Portos e Caminhos de Ferro de Moçambique e pelo General Manager of the South African Railways and Harbours. A este acordo de trabalho ficam obrigados os dois Govêrnos. Quaisquer alterações ao dito acordo necessitam da aprovação do Governador Geral de Moçambique e do Ministro dos Caminhos de Ferro e Portos da União como chefes das respectivas Administrações Ferroviárias.

ARTIGO 44.

Para os efeitos desta Convenção entender-se-á por Administração dos Portos e Caminhos de Ferro de Moçambique e por Administração dos South African Railways and Harbours qualquer autoridade a quem a Direcção e superintendencia dos Caminhos de Ferro e Portos de Moçambique ou da União sejam ou venham a ser respectivamente cometidas.

C. Relativamente á Parte III (Alfandegas e Intercâmbio Commercial), que sejam eliminados os artigos 46 e 47 e as tabelas anexas e que o artigo 52 seja substituído como segue :

ARTIGO 52.

- (1) O Govêrno da República Portuguêsa, em relação a Moçambique, e o Govêrno da União obrigam-se a não pôr impedimentos ao

- (g) Tornar extensivas á importação as proibições ou restrições que existam ou venham a ser impostas sobre a produção, venda, transporte ou consumo de produtos locais similares;
- (h) Imposição de condições respeitantes á exportação de certos produtos para garantir a sua qualidade e a defesa do seu bom nome, e, ao mesmo tempo, para salvaguardar os interesses dos compradores no estrangeiro.

As medidas proibitivas ou restrictivas do comercio acima mencionadas só poderão adoptar-se quando forem applicadas ao mesmo tempo, da mesma maneira e na mesma amplitude a outros países onde prevaleçam motivos análogos que as justifiquem e, em caso algum, poderão constituir uma restrição disfarçada do intercâmbio entre Moçambique e a União.

(2) Se sobrevierem circunstancias que possam tornar necessária a imposição de quaisquer proibições ou restrições á importação, não previstas na parte (1) deste artigo, o Governo Português e o Governo da União, obrigam-se a não impôr sem aviso prévio quaisquer restrições ou proibições que coloquem os produtos da União ou de Moçambique em situação menos favorável do que os de qualquer outro paiz, com excepção dos mencionados nas alíneas (a), (b) e (c) do artigo 45.

D. Relativamente á Parte IV (Disposições Diversas), que o artigo 56 seja substituído como segue :

ARTIGO 56.

Tôdas as divergencias que se suscitarem relativamente á interpretação ou á execução desta Convenção, e que não possam ser resolvidas por negociações directas entre o Governo Português e o Governo da União, serão submetidas a arbitragem, nomeando o Governo Português para esse efeito seu arbitro o Juiz Presidente do Tribunal da Relação de Moçambique e o Governo da União o Juiz Presidente do Supremo Tribunal da África do Sul. Se estes dois juízes não

chegaram a acordo, escolherão um árbitro de desempate, e, se não houver entendimento sobre esta escolha, o Presidente do Tribunal Permanente de Justiça Internacional da Haia será solicitado para fazer a necessária nomeação. O julgamento far-se-á *ex aquo et bono* e nos termos do compromisso arbitral que se ha-de celebrar para cada caso. Este artigo não é applicável ao artigo 32 da Convenção excepto se a divergência fôr sobre o facto do porto de Lourenço Marques estar recebendo ou não quarenta e sete e meio por cento do tráfego conforme o disposto no referido artigo.

Este acordo será ratificado pelos dois Govêrnos e a troca de ratificações terá lugar em Pretória no mais curto prazo possível; mas os artigos que foram substituídos entrarão em vigor a partir da data da assinatura deste acordo e os artigos eliminados deixam de vigorar a partir da mesma data e todos os outros artigos da Convenção continuarão em vigor como anteriormente.

Em fé do que os representantes dos dois Govêrnos assinaram o presente acôrdo de revisão das clausulas da Convenção.

Feito em Lourenço Marques, em triplicado e em português, inglês e afrikaans, aos dezassete dias do mês de Novembro de mil novecentos e trinta e quatro.
