*British Embassy,*

*Paris, October 25, 1938.*

M. le Ministre,

IN their memorandum (Direction Politique) of the 5th March last, the Ministry for Foreign Affairs were so good as to inform His Majesty's Embassy that the Government of the Republic were prepared to recognise the free right of passage of British Commonwealth aircraft over Adélie Land on the understanding that reciprocal rights would be accorded to French aircraft over British Commonwealth territories in the Antarctic.

2. I have the honour to state that His Majesty's Governments in the United Kingdom, the Commonwealth of Australia, and New Zealand accept an arrangement on the above-mentioned basis.

3. I have the honour to suggest that the present note and your Excellency's acknowledgment thereof shall be regarded as placing the understanding on record.

I have, &c.

ERIC PHIPPS.
