Dear Deputy Principal Secretary

Public Officers' Pensions (Tanzania) Agreement 1976—Amendment

I have the honour to refer to the Public Officers' Pensions (Tanzania) Agreement 1976<sup>1</sup> between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Tanzania signed at Dar es Salaam on 24 March 1976 and in accordance with the provisions of Article 1(i) (iv) of the Agreement I have the honour to propose that the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of Tanzania might agree that persons detailed at paragraph 2 below shall be deemed to be persons to whom the Agreement shall apply.

Persons listed in Annex A to this Note, being officers who served as civilian employees of the East African Land Forces Organisation and who were either transferred from that service to the service of the Government of Kenya, Uganda or Tanganyika or to the East African High Commission or who secured an appointment with any one of those governments or with the High Commission in either case without any break in service.

Since all EALFO service took place between 1957 and 1960 the cost of pensions in respect of such employment falls to the reimbursement element of the financial settlement to be concluded between the Government of the United Kingdom and the Government of the Republic of Tanzania and as such no cost will attach to the Government of the Republic of Tanzania.

If the foregoing proposal is acceptable to the Government of the Republic of Tanzania, I have the honour to propose that this Note, together with Your Excellency's reply in that sense, shall constitute an Agreement between our two Governments on this matter (which shall enter into force on the date of Your Excellency's reply).

I avail myself of this opportunity to renew to Your Excellency the assurance of my highest consideration.

Yours sincerely  
MICHAEL COOK
