The Government of the United Kingdom of Great Britain and Northern Ireland and the Government of the Republic of Venezuela;

Desiring to conclude an agreement for the avoidance of double taxation in respect of the profits of undertakings engaged in the business of shipping and air transport;

Having examined and verified the reciprocity of treatment concerning the taxation of such undertakings;

Have agreed as follows:

ARTICLE 1

1. Subject to Article 2 of this Agreement all profits, income and capital gains derived by an undertaking of one of the Contracting States from the business of shipping and air transport shall be exempt in the other Contracting State from all the taxes of that other Contracting State (other than municipal taxes) which are, or may become, chargeable on profits, income and capital gains.
2. The provisions of this Article shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

ARTICLE 2

1. The exemption provided under Article 1 shall apply to an undertaking of one of the Contracting States which, at the date of signature of this Agreement, regularly serves a port or airport situated in the territory of the other Contracting State.
2. This exemption shall also apply, subject to mutual agreement between the competent authorities of the Contracting States, to an undertaking of either Contracting State which may subsequently operate a regular service to a port or airport situated in the territory of the other Contracting State, or which may be designated under agreements between the Contracting States.
3. All undertakings of each of the Contracting States which are exempt from tax in accordance with the provisions of this Agreement shall present to the Competent Authority of the other Contracting State, for statistical purposes only, an annual statement of the financial results of those enterprises from the business of shipping or air transport (and of any connected operations) carried out by them in the other Contracting State.

ARTICLE 3

The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulty or doubt arising out of the application of this Agreement. The competent authorities may communicate with each other for this purpose. Where it seems advisable for this purpose to have direct consultations, these shall take place within a reasonable time of a request for such consultations being made by the competent authority of either Contracting State to the competent authority of the other Contracting State.

ARTICLE 4

For the purposes of this Agreement:

- (b) The expression "undertaking of one of the Contracting States" means the Government of the Contracting State, a physical person resident in that Contracting State and not resident in the other Contracting State and a company or partnership constituted under the laws in force and managed and controlled in that Contracting State;
- (c) The expression "the business of shipping and air transport" means the business of transporting persons, animals, goods and mail carried on by the owner or charterer of ships or aircraft;
- (d) The expression "competent authority" means, in the case of Venezuela, the Dirección General de Rentas or its authorised representative, and in the case of the United Kingdom, the Commissioners of Inland Revenue or their authorised representative.

ARTICLE 5

Each of the Contracting States shall notify the other in writing through the diplomatic channel of the completion of the procedures required by its law to bring this Agreement into force. The Agreement shall enter into force on the date of the later of these notifications¹ and shall thereupon have effect as regards profits, income or capital gains arising on or after January 1977.

ARTICLE 6

This Agreement shall remain in force indefinitely, but it may be terminated by either Contracting Party by giving six months' notice in writing to the other Contracting Party, and in such event it shall cease to have effect as regards income, profits or capital gains arising after 31 December of the calendar year in which the notice is given.

In witness whereof the undersigned, being duly authorised thereto by their respective Governments, have signed this Agreement.

Habiendo examinado y verificado la reciprocidad de trato con respecto al régimen de tributación al cual están sometidas tales empresas:

Han acordado lo que sigue:

ARTICULO 1

1) Sujeto a lo dispuesto en el Artículo 2 de este Convenio, todos los beneficios, ingresos y ganancias de capital obtenidos por una empresa de uno de los Estados Contratantes, provenientes del negocio de transporte marítimo y aéreo estarán exonerados en el otro Estado Contratante de todos los impuestos de ese otro Estado Contratante (excepto los impuestos municipales) que sean o pudiesen ser aplicables a los beneficios, ingresos y ganancias de capital.

2) Esta exoneración también se aplicará, sujeto a acuerdo mutuo entre las autoridades competentes de los Estados Contratantes, a una empresa de cualquiera de las Partes Contratantes que puedan subsecuentemente operar un servicio regular a un puerto o aeropuerto situado en el territorio del otro Estado Contratante, o que pueda ser designada bajo los términos de Convenios entre los Estados Contratantes.

3) Todas las empresas de cada uno de los Estados Contratantes, que estén exoneradas del impuesto de acuerdo con las previsiones de este Convenio, presentarán a la autoridad competente del otro Estado Contratante, para fines estadísticos solamente, una declaración anual de los resultados financieros de esas empresas derivadas del negocio de transporte marítimo y aéreo y de cualquier operación relacionada, llevada a cabo por ellas en el otro Estado Contratante.

ARTICULO 3

Las autoridades competentes de los Estados Contratantes procurarán resolver de mutuo acuerdo cualquier dificultad o duda que surja de la aplicación de este Convenio.
