## OBJECTIONS TO AMENDMENTS

### FRANCE

**Objection** contained in a letter from the Ministry for Foreign Affairs, dated 5 March 1992, registered at the Secretariat General on 6 March 1992—Or. Fr.

I have the honour to inform you, pursuant to Article 17, paragraph 3 of the Convention on the Conservation of European Wildlife and Natural Habitats, that the Government of the French Republic objects to the inclusion of the *Trapa natans* L. specie in Appendix I of the said Convention, decided during the 11th meeting of the Standing Committee.

As this specie is not endangered in France, measures of protection provided for by the Convention are not justified in its respect.

### GREECE

**Objections** transmitted by letter from the Permanent Representation, dated 6 March 1992, registered at the Secretariat General on 6 March 1992—Or. Eng.

Pursuant to Article 17 of the Bern Convention, reservations are made as set below in respect to flora species included in Appendix I of the Bern Convention, according to the relevant decision of the Standing Committee.

- (i) A temporal reservation, until the designation of key sites in Greece for the following species: *Pilularia minuta*, *Ranunculus fontanus*, *Trapa natans*, *Adonis cyllenea*, *Trachelium asperuloides*, *Verbascum cylleneum*, *Bupleurum capillare*.
- (ii) For the species *Linaria hellenica*, a reservation for the site Vatika Lakonia, Peloponese.
- (iii) For the species *Carlina diae*, a reservation for the Gianissada site.
