No. 1

*The Secretary of State of the United States of America to
Her Majesty's Ambassador at Washington*

*Department of State,
Washington.*

Excellency :

December 21, 1977.

I have the honor to refer to discussions which have taken place among representatives of the Governments of the United States of America, the Governments of the United Kingdom of Great Britain and Northern Ireland and of Belize, and other governments relating to the importation into the United States for consumption of meats described below in paragraph 1 during the calendar year 1978.⁽¹⁾ With the understanding that similar agreements also will be concluded for calendar year 1978 with governments of other countries which export substantial quantities of meat to the United States, I have the honor to propose the following agreement between our two governments :

1. For purposes of this agreement, the term "such meats" shall mean fresh, chilled or frozen cattle meat (Item 106.10 of the Tariff Schedules of the United States), fresh, chilled or frozen meat of goats and sheep, except lambs (Item 106.20 of the Tariff Schedules of the United States), and meats which, but for processing in foreign-trade zones, territories or possessions of the United States prior to entry, or withdrawal from warehouse, for consumption in United States Customs Territory would fall within the above descriptions (and Items of the Tariff Schedules of the United States) upon such entry, or withdrawal from warehouse, for consumption.

2. This agreement, together with similar agreements with other countries which export to the United States substantial quantities of such meats, shall constitute the 1978 restraint program. Subject to paragraph 6, the permissible total quantity of imports of such meats into the United States for consumption during the calendar year 1978 from countries party to the 1978 restraint program shall be 1,216.1 million pounds, and the Government of Belize and the Government of the United States of America shall respectively undertake responsibilities as set forth below for regulating exports to, and imports into, the United States pursuant to the 1978 restraint program.

3. The Government of Belize shall limit the quantity of such meats exported from Belize as direct shipments or on a through bill of lading to the United States in such a manner that the quantity of such meats entered,

⁽¹⁾ For arrangements during the calendar year 1977 see Treaty Series No. 48 (1977), Cmnd. 6826.

or withdrawn from warehouse, for consumption in United States Customs Territory during the calendar year 1978 does not exceed 0.5 million pounds, or such greater quantity as may result from adjustments pursuant to paragraph 6.

4. The Government of the United States of America may issue regulations limiting to 0.5 million pounds, or such greater quantity as may result from adjustments pursuant to paragraph 6, the quantity of such meats from Belize which, during calendar year 1978, may be entered, or withdrawn from warehouse, for consumption, whether such meats were shipped directly or indirectly, provided that (a) such regulations shall not be employed to govern spacing within calendar year 1978 of entry or withdrawal from warehouse, for consumption of such meats from Belize, unless otherwise agreed; and (b) such regulations shall be issued after consultation pursuant to paragraph 7. It is understood the United States Customs statistics of entries, or withdrawals from warehouse, for consumption, will be used for purposes of this agreement. Such statistics shall not include meats which have been refused entry because of failure to meet appropriate standards prescribed pursuant to the Federal Meat Inspection Act, as amended, and such meats will not be regarded as part of the quantity described in paragraph 3, as it may be increased pursuant to paragraph 6.

5. The Government of the United States of America may take appropriate steps to ensure that imports into the United States for consumption from countries not party to the 1978 restraint program do not disrupt the 1978 restraint program.

6. The Government of the United States of America may increase the permissible total quantity of imports of such meats into the United States during the calendar year 1978 from countries party to the 1978 restraint program or may re-allocate any estimated shortfall in a share of the restraint program quantity or in the initial estimates of imports from countries not party to the 1978 restraint program. If no shortfall is estimated for Belize, such increases or estimated shortfall as may be available shall be allocated to Belize in the proportion that 0.5 million pounds bears to the total initial shares from all countries party to the 1978 restraint program which are estimated to have no shortfall for the calendar year 1978. In determining the amount available for re-allocation pursuant to this paragraph, the Government of the United States of America may take into account any increase in its initial estimates of imports from countries not party to the restraint program.

7. The Government of Belize and the Government of the United States of America shall consult promptly upon the request of either government regarding any matter involving the application, interpretation or implementation of this agreement, and regarding any increase in the total quantity of imports from Belize permissible under the restraint program including allocation of any shortfall.

8. In the event that quotas on imports of such meats should become necessary, the representative period used by the Government of the United States of America for calculation of the quota for Belize shall not include the period between October 1, 1968 and June 30, 1972 or the calendar year 1975, 1976, 1977 and 1978 except by the agreement of the Government of Belize.

9. (a) To enable both Governments to follow progress under this agreement, the Government of the United States of America shall provide to the Government of Belize as soon as possible after the end of each week Customs statistical information concerning imports of such meats from all supplying countries.
- (b) As soon as possible after the end of each month, the Government of Belize shall provide to the Government of the United States of America details of scheduled arrivals to December 31, 1978, ship by ship and port by port, based on actual loadings in Belize.

I have the honor to propose that, if the foregoing is acceptable to the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of Belize, this note and Your Excellency's confirmatory reply constitute an agreement between the Government of the United States of America and the Government of the United Kingdom which shall enter into force on the date of your reply.

Accept, Excellency, the renewed assurance of my highest consideration.

For the Secretary of State
